Background: Early Childhood Education Center P. Ltd (ECEC) was established in 2001 with a vision to improve the quality of pre-primary school teaching in Nepal so that every child in Nepal will be able to receive child friendly education. It has been working on improving preschool education by developing educational materials and conducting training courses for pre primary teachers, in which they learn and experience that learning through play, is appropriate for young children's development. We are Christians and work in faith by Biblical values.

Are you:

- a marketing professional with experience for at least two years?
- a positive and enthusiastic team player?
- enthusiastic and able to communicate well in Nepali and English?
